## Who We Are:

Neighborhood Legal Services Program (NLSP) is a nonprofit law firm that provides free legal information, advice and representation to low-income District of Columbia residents. We are committed to equal access to justice for all members of our community.

## Who We Serve:

We serve clients who are residents of the District of Columbia and whose household income is at or below 125% of the federal poverty guidelines (FPG). In some cases, we may be able to serve people with a household income at or below 200% of the FPG.

## How to Apply for Services:

To get legal help from NLSP, you must first talk to an NLSP intake specialist. Come to one of our offices or call 202-832 NLSP during intake hours. Our intake hours for new clients are: Monday, Wednesday and Friday 10:00AM to 3:00PM.

The intake specialist will ask questions to help determine if you are eligible for our services. Within 48 hours of completing intake, eligible applicants will have the opportunity to talk to an NLSP Brief Services attorney. They can give legal advice and refer cases as necessary to an Extended Services attorney
